

2020 HOLLEY FLOAT BOWL VENT TUBE CHECK VALVE BULLETIN (3/5/20)

Due to a back order from the manufacturer on Holley part number 26-342, RUSH will also allow Holley part number 26-343 to satisfy its requirement for the float bowl vent tube check valve. With that said, the following rule is now in effect:

Holley 26-342 or Holley 26-343 float bowl vent tube check valve is highly recommended, and will be mandatory as of May 15, 2020.
